

# Athlegen Apollo

## CODE - QAPT

Shown with the Advantage Top

The Athlegen Apollo provides you with the confidence and stability to perform at your best. The magnetic drop sections offer you maintenance free operation, saving you time and money. The ergonomic design ensures superior patient comfort and excellent practitioner access. The table can be adjusted quickly and quietly, from a minimum working height of 500mm to a maximum working height of 990mm.

The Athlegen Apollo Chiropractic table is endorsed by the Chiropractors' Association of Australia.

### features

- Electric power height adjustment system is driven by a commercial grade linear actuator made in Germany ensuring fast, reliable and vibration free performance.
- Innovative magnetic coupled drop design delivers fast response times and long life. *(optional)*
- 8 pivot lifting arm mechanism, super strong with self lubricating nylon bushes to ensure smooth and quiet operation.
- Upholstery construction features special high density foam rubbers and incorporates soft edge technology.
- High quality protective coated vinyl with oil resistant properties; durable with a soft and comfortable feel.
- Unique Advantage top design allows increased practitioner access during treatments. *(optional)*
- Combination of concealed wheels and floor levers.
- Durable powder coated rust resistant frame.
- Heavy duty stainless steel footswitch
- Built to last with minimum maintenance.
