

Athlegen Treatment AHS -

CODE - QAT2

The Athlegen Treatment Table AHS is suitable for a wide range of modalities, including massage, acupuncture and osteopathy. The adjustable head section, which includes a face recess, can be slightly lowered enabling the prone patient to fully relax the neck muscles giving optimum comfort.

Optional face cradle extensions with armrests can also be fitted. The sturdy design helps to optimise your performance whilst achieving maximum comfort and support for your clients. Combine this with quiet height adjustment and you have discovered just a few reasons why this is the perfect table for your practice.

features

- Electric power height adjustment system is driven by a commercial grade linear actuator made in Germany ensuring fast, reliable and vibration free performance.
- Adjustable section feature twin stainless steel control arms which provide extra security, support and rigidity.
- 8 pivot lifting arm mechanism, super strong with self lubricating nylon bushes to ensure smooth and quiet operation.
- Upholstery construction features high quality Australian made cfc free foam rubbers.
- High quality protective coated vinyl with oil resistant properties; durable with a soft and comfortable feel.
- Choice of table top widths and cushioning constructions so you can customise the treatment area to best suit your needs.
- Heavy duty, industrial quality lockable castors with a chrome housing, steel bearings and a rubber wheel tread.
- Durable powder coated rust resistant frame.
- Heavy duty stainless steel footswitch
- Built to last with very low maintenance.
